We do not have responsibility with copyright of this book.

Who knew a sweaty photo would be good for business?

Now unwanted booty calls are coming in as fast as work orders, and Liam Chase needs to get away. Cue a job upstate. His new client is hot as hell, but he left NYC to escape attention, not to hook up with the city's "Runaway Bride".

With three disastrous relationships under her belt, it's clear Claire Stevens's judgment sucks. And what's she's feeling for America's newest sex god? Obviously another hormone-fueled mistake.

But when she accidentally fells a tree on his truck, leaving them stranded in a winter storm with a chocolate-snatching raccoon, there's something to be said for body heat.

Too bad neither can trust their explosive chemistry!
